MNEMBA ISLAND, ZANZIBAR

&Beyond Mnemba Island Lodge

YOU'VE NO NEED FOR SHOES at this private island paradise, where soft sand between your toes and warm water lapping at your ankles are part of the allure. Set in the Zanzibar Archipelago, Mnemba Island is surrounded by magnificent sealife and dazzling coral reefs, making it an ideal destination for divers and snorkelers. While staying in one of the 10 secluded bandas, guests also enjoy

fly-fishing, swimming with dolphins, and observing green turtles, who lay their eggs on the island year-round with a seasonal peak in February and March. Staff outnumbers guests three to one, guaranteeing impeccable service and

personal attention throughout your stay. Between meals of fresh fruit, fish and local seafood, travelers looking for simple relaxation can lounge on one of the world's most beautiful beaches. *Recommended since 2011.*
