

HYPERBARIC MEDICINE IS YOUR SOLUTION

Experience hospital level standards of care in a private office setting at Hyperbaric Medical Solutions. We use non-invasive oxygen therapy to safely and effectively help treat the medical conditions that affect you and your loved ones. As a participating provider with most insurance plans, we offer improved access and lower cost. Examples of the many medical conditions treated at HMS include:

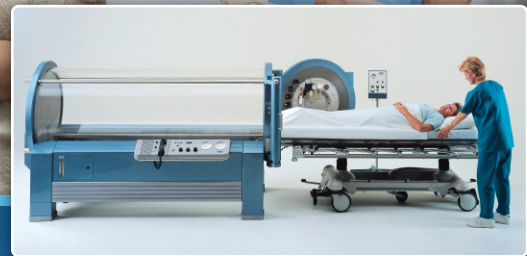

- Diabetic Foot Ulcers
- Chronic Inflammation
- Autism
- Poor Circulation
- Parkinson's Disease
- Traumatic Brain Injury
- Lyme Disease
- Stroke
- Multiple Sclerosis
